

Dear [FIRST NAME]

Thanks for being a loyal [COMPANY] customer. We're always working to bring you more value and help your business run even better - and we just found one more way to do that!

[COMPANY] has just partnered with Sage Live, a real-time, cloud-based accounting solution built on the Salesforce platform. Sage Live reduces the need for manual data entry and lets you access accurate financial data whenever you need it. Plus, we've integrated our product with Sage Live, so your whole business can operate more efficiently and more profitably when you use them both.
